## Simon Ayshford

I am pleased to announce that, as from 9<sup>th</sup> January, Simon Ayshford is working for RAMSAK on a part-time basis, working primarily in Sussex to further increase the business in that area and encourage new Customer Members to join. He has a background in Chemical and Fertiliser sales and most recently was working for the CLA. He will predominantly be mobile and can be contacted on 07538 409248.

## Second-Hand Ford Tractors Wanted

We have had a request for second-hand Ford 10 series tractors and also the older 4000, 6600 type machine. Quality and hours are not a major issue as this would be related to the price offered for the machine. However, that said, a very good price is being offered. If you have such a tractor, or wonder if your Ford would qualify, please contact the Ring Office on **01622 815356**.

As well as the above, we also have a demand for Ford / New Holland 40 series tractors. It is also worth calling the Ring Office if you have any other make of tractor for sale as we might well have buyers for them. If pictures can be supplied, they then can be highlighted on our website.

## **Snow Clearance**

We are currently putting together our database of Members who can offer snow clearing services for the coming season. We do have plenty of work potentially available so do let us know if you can offer the service.

Please note that you will be required to have the appropriate insurance in place to enable you to do this type of work. As the work is likely to be exclusively for private companies there may be issues with fuel usage; it is hoped the government will allow a derogation as they did last winter.

Call the office on **01622 815356** for more details. If you are not a Member, please do contact us; you never know it might be worth joining the Ring.

If you have anything you want to announce, please feel free to contact the Ring on 01622 815356. We can send out bulk emails to promote what you want; we can set up advertising for you in the monthly Newsletter and we will soon be able to promote more easily new products on the website.

## **Late News**

As some of you have been aware, we have had some technical issues with Office Canopy Group over the last few months which has caused some frustrations. We are hoping that these have now been resolved and that orders can now be placed again. If you cannot remember your login details, or think that you haven't been registered yet, feel free to contact the office and we can sort that out for you.

Call the office on 01622 815356.
